12 In cases initially assigned to a district judge, the parties may consent at any time to  
13 reassignment of the case to a magistrate judge for all purposes, including entry of final judgment.  
14 See Civil L.R. 73-1(b). This option is being made available because the magistrate judges in this  
15 district have smaller civil dockets and no felony criminal cases and may be able to adjudicate this  
case more expeditiously than the undersigned district judge.16 Accordingly, the parties are hereby **DIRECTED** to advise the court, no later than **November**  
17 **26, 2012**, whether they consent to have a magistrate judge conduct all further proceedings in the  
18 instant action. Normally the parties would be directed to so inform the court in their Joint Case  
19 Management Statement filed in connection with the initial case management conference. However,  
20 because this case involves a review of an administrative record, a case management conference has  
21 not been scheduled. The parties are advised that they may jointly request assignment to a specific  
22 magistrate judge. For the parties' convenience, a consent form is attached hereto; forms are also  
23 available at <http://www.cand.uscourts.gov>, in the "Forms" section.24 **IT IS SO ORDERED.**
